We were finally getting to Sheryl house. We'd been partying all night at Heaven's Gate and were all pretty drunk. Sheryl was the least wasted and was driving her three other passengers with some caution. She pulled into the driveway of her modest house and the suddenly a light came on from a sensor over the garage. Stopping the car in the driveway, Darryl got out the front passenger seat and opened the door for Jewel who was sitting behind him. Sheryl got out the driver's door and opened Maddie's for her. Maddie was leaning on the door when Sheryl opened it and fell out onto the driveway asphalt but didn't seem to hurt herself. Sheryl bent over to help and grunted as she pushed Maddie back upright in the car.

Sheryl has streaked black hair ironed straighter than a dry spaghetti noodle. Hair that she always has done at a salon. She also has great breasts and a thin waist that sits on top of a tight firm ass. She has green eyes and her lips always moving thanks to her constant jabbering.

Maddie, on the other hand was the shy one of the group, until she gets some booze into her. She just didn't know when to stop and always seemed to be needing some sort of help before the evening ended. Fortunately, she rarely pukes. Darryl has dealt with

these kind of girls before. He went around to help with Maddie. Sheryl looked at him from the opposite side of Maddie and smiled; he really is a gentleman. She always thought that Darryl was cute but was afraid that he was like the other guys, get the girl drunk, rub up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Jewel was Darryl's current girlfriend. She got the keys from Sheryl and went and opened the door. Darryl and Sheryl holding Maddie up as they climbed the front steps. When they got inside Sheryl they leaned Maddie against the wall and Jewel rushed off to the kitchen to get a wet cloth to put on Maddie's forehead. Maddie was pulled over to the sofa and laid down. Sheryl unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Jewel came in with a small towel folded and soaked and put it on Maddie's forehead. Water dripped down her temples and into her ears. That made Maddie bolt up and try to dry them, missing her ears each time she brushed her hands by. Lending her an arm, Maddie pulled herself up and held on. They followed Sheryl up the stairs to the room that Maddie would be recovering in.

Sheryl indicated to the first doorway on their left

and opened the door for them. Maddie was led to the bed and plopped down on it. Sheryl started to undress her and then realized Darryl was standing there watching. "Well?!?" she said. "Get over here and help me." Darryl pulled off her boots as Sheryl worked her upper body. "Sit her up for me." she asked and Darryl grabbed under her armpits and Sheryl stripped her blouse off and then her bra.

She took a moment to rub the bra lines on Maddie's boobs and gave them a quick squeeze as she looked at Darryl. Sheryl set her back down as Darryl went back to her feet and grabbed the hems of her pants getting them off in a long hard pull. "I'll finish." said Sheryl as she pushed Darryl away and grabbed Maddie's panties and pulled them off. Darryl found a light blanket on a chair and unfolded it and threw it over Maddie. "Let her sleep." pronounced Sheryl as they left the bedroom. Pointing to the door next to the bedroom, Sheryl says, "You and Jewel can have that room over there."

She led the way back down the stairs and into the kitchen. Jewel had poured each a double shot. Sheryl and Darryl grabbed their shots and all three together downed them. They grabbed their sodas for chasers and took a drink. "That's plenty for all of us." said Jewel. "We don't want to get shit-faced like Maddie. Who'll be left to carry us up the stairs?"

They all laughed. Jewel grabbed one of each's hand and pulled them out of the kitchen and into the living room. Sheryl turned on the TV and began flipping through channels. She'd pick a show but when it went to commercial they would move to a movie and after a couple of minutes they would get bored and go back to channel surfing. After some time of this Sheryl handed the remote to Jewel who had been flirting with Darryl who said "We've seen everything on the tube." But just then Jewel landed on a porn movie, Darryl stopped with his mouth half open. Jewel looked at him and laughed at his expression. Sheryl blurted out that she was starting to lose it and better get up the stairs before she couldn't. Jewel turned to Darryl when Sheryl's footsteps receded up

the stairs.

Wasting no time, she leaned in and kissed him and he returned the affection along her jaw and when he reached her mouth he kissed her upper lip and then sucked on it gently. After the last kiss, Jewel pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back, Darryl took in her lower lip and nibbled it, then ran his tongue over the inside of it. Jewel pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her hairless, glistening pussy.

Darryl stood and grabbed her by the shoulders, lowering her down on the sofa. He kneeled down and pulled one of her legs over his shoulder and dove right in to her slick pussy. He licked up and down her slit

and whenever he reached her soaking wet hole, he pushed his tongue in. Darryl came up to her clit and started to lick it, while he slowly slipped his middle and ring finger into her pussy. Darryl then sucked on her clit and curled his fingers up and started to slide them in and out. He soon felt a rush of Jewel's juices that he lapped up as they came out. Jewel whispered "Let's go upstairs and do it right." She held out his hand to pull her up and grabbed her clothes off the living room floor.

She headed towards the stairs as he looked at her butt in the subdued light. "Damn, I'm gonna tap that tonight." he thought to himself. She turned around

when she noticed that he wasn't following her, he smiled and walked forward to Jewel. She bounced on her toes which in turn made her lovely breasts bounce. She grabbed Darryl's hand and they went up the stairs into their room. They didn't bother turning on the light as there was already a lamp on in the corner of the room. Jewel pulled back the covers and threw them off the bed. Darryl stood at the bottom and took off his remaining clothes. She messed with the pillows for a moment and then leaned back on them and curled her finger a couple times motioning him over to her.

He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft as Darryl threw his head back enjoying the feeling of her tongue. She'd swirl it around the head and gently nipped his shaft with her teeth as she ran them on his shaft. Standing there he reached down and rubbed her mons. Almost automatically, as if he pushed an 'Open' button, her legs spread and he slipped his hand between her legs. She sucked, he fingered. They both moaned in sublime pleasure.

Jewel then says, "Babe, I want that huge cock inside me – now!" He positions himself on the bed between her legs and slowly pushes in a couple inches and then pulls it out. He did this until he was fully in, then he began to slowly pump in and out. He felt her pussy tighten around his cock with her muscle movement. Jewel closed her eyes and threw her head back moaning softly. Darryl took this as an indication that she wanted him to pull out. He proceeded to do so but he barely got three inches out when Jewel wrapped her legs around him and pulled him back in.

Then he leans down and licked circles around her nipples. With her orgasm finally subsiding, she grabbed his ass and slowly scooted back up on the bed while keeping his dick inside her pussy. When they were in a comfortable position, Darryl started thrusting, going harder and harder. He grabbed her tits and massaged them, tweaking her nipples. Jewel began to thrust her hips up to meet Darryl's downward ones. Again he

felt her pussy tighten around his cock, but he was nowhere near cumming himself, so he kept pumping hard and deep into her. Darryl soon felt her juices running down his leg and soaking the sheets.

He could feel her slightly relaxed muscles tighten again. Darryl looked down at her's face and saw her eyes tightly closed and her mouth slightly gaped. The sweat glistening on her body, her tits bouncing every time he thrust himself into her. Jewel opened her eyes when he did this and smiled a little coyly. He started to pump into her faster. Jewel dug her nails into his butt cheeks and that pushed him over the edge. His cum seemed to burst out with the force of a fireman's hose. When he stopped thrusting, Jewel turned him over on the bed and got down next to his cock. She licked up cum on the head and down the shaft. Putting her fingers in her cum-soaked pussy then up to her lips, she added that to her oral treat.

A moment later he heard a soft moaning sound that

sounded like a climax moan coming from the corner of the room. As his eyes focused that length in the low room light, he saw a silhouetted female body with a soft glisten of sweat. She stood up and walked over to the bed. She was completely naked. It was Maddie. Jewel patted the empty space on the other side of Darryl and Maddie climbed in. Still wobbly and obviously quite horny, Maddie cuddled into Darryl's chest and begins to rub his cock. Darryl looks at Jewel as she pulled Maddie's head over – and they begin to kiss over his chest. "I don't think I'm going to get any sleep tonight," thought Darryl as their lips met right under his nose.

CUM TO MOMMY!

open carefully
noel's presents

I'm an aspiring photographer and am trying to establish myself, as well as hone my craft whenever and wherever I can. In the meantime, I got a job as a photo assistant in a major production studio downtown. We shoot a lot of products and stuff. Even shot a race car last week. That was really cool. It's really tiring because I'm the lucky one that gets to pack and unpack all the gear. And setting it all up. Hard work, long hours, but boy am I learning a lot.

Friday night I had just finished work and was heading home when I got a text from my friend Noel, who asked if I could come over and shoot her and her friend having fun. I texted her back saying that I needed to freshen up and grab my gear. Which I did, and showed up at her door an hour later. I rang the doorbell and my friend answers and invites me in. Inside were a couple other girls and immediately my blood's heat level rose. I was introduced to the both of them amidst giggles and smiles, Amanda and Chrissy. Amanda is a little shorter than me, I'm five-nine, with a nice curvy figure. Chrissy is shorter with a nice slim body. I didn't mention but Noel is really cute, about 22 years old with curvy hips and a very lovely chest.

I had
never done
three ever
before

stuff in a back bedroom, which I do, and start unpacking the camera and video camera. I brought a light and a stand, but didn't know if I would need it. The three come into the room about ten minutes later and told them I was ready. Noel tells me if I want to masturbate to not hold

back and masturbate to them while filming. I started recording and the girls started kissing each other and feeling each other up and swapping between each other stripping one another slowly while teasing their sensitive spots. Once they were all naked Amanda and Chrissy teamed up on Noel. Amanda was kissing her and rubbing her breast while Chrissy was licking her nipple and rubbing her clit. Noel

was moaning and rubbing Chrissy's nipple while her other hand was around Amanda pulling her closer for more kissing. Chrissy then slowly and delicately kissed her way down to Noel's pussy and started pleasuring her with her tongue, Amanda offered her breast to Noel to suck on while Noel had a finger in her pussy and was fingering Amanda.

Then, several minutes later Amanda and Chrissy swapped over. Amanda started eating Noel's pussy and rubbing her clit while Chrissy mounted Noel's face to get her pussy pleased while she rubbed her

breasts and played with her nipples. All the girls were moaning and enjoying themselves when Amanda stops licking on Noel's pussy and walks over the cupboard, she pulls out a double ended dildo and slides one end deep into her pussy. She grabs Noel's legs and throws them over her shoulders and penetrates Noel deep and hard. Noel squeals in delight and starts moaning loudly. Noel then pushes her face hard against Chrissy's pussy and is going tongue-wild on her pussy while Amanda is fucking her with the dildo.

I had been moving around them this whole time zooming in and out and getting different

angles, I decided to get up real close to get a nice close up of Noel's pussy getting fucked, I had no pants on and my cock was as hard as a rock, when suddenly Amanda grabs my cock and starts stroking it while fucking Noel telling me I have to enjoy this too. I told her that I was REALLY enjoying it.

Then the girls suddenly stopped. Noel got up from her back and leaned over the bed from the side and Chrissy and Amanda swapped positions, Chrissy now had the dildo while Amanda was laying on her back with Noel's face centimeters from her pussy. Chrissy started fucking Noel doggy style while Noel was eating Amanda's pussy. They kept at it for a while swapping who had the dildo and who was being fucked and licking and kissing. After an hour of full on action, the girls had all orgasmed multiple times each and seemed to weaken from the ef-

fort they exerted. I was still sporting my hard cock when Amanda crawls over and takes my cock balls deeps in her mouth sucking hard. I was in heaven as she sucked my cock and played with my balls. After about 5 minutes of getting my cock sucked, Amanda lays on her back on the bed, spreads her legs, and tells me "Come have some fun with us. Put that camera down 'cause, I want your nice hard cock deep inside me. Right now!"

I put the camera down and grabbed her ankles, slid my cock into her pussy, and enjoyed the tightness. She was so tight that I had to ask how many guys she had

been with; and she replied 'only a couple.' I was shocked, and so very grateful. Her pussy so very tight that it felt like heaven wrapped around my cock. Amanda laid on her side and put her leg over my shoulder as I fucked her. I let her ride on top of me at her own pace as she grinded my cock hard and fast and brought herself to an orgasm. Then I fucked her from behind and after several minutes, I asked her to ride me again and she did. In this position she orgasmed so hard on my cock again that she pushed herself hard against me that I would cum very deep inside her pussy.

The two other girls were looking at me quite intensely and after Amanda got off me and jumped on me straight away and started kissing and licking and sucking on me all over, after about two minutes I was rock solid again and ready for more. Noel and

In this position she orgasmed so hard on my cock again that she pushed herself hard against me that I would cum very deep inside her pussy.

Chrissy kept looking over at me and giggling and finally decided Noel could get to fuck my cock first.

She and I have fucked many times before so I knew exactly how she liked it. But never with other people around! I threw her on the bed and pushed her face down and pulled her ass up and started fucking her like a champ from behind, occasionally spanking her. Then, I lay down behind her and put my cock in her pussy from behind while holding up her leg and fucking her. She was rubbing her clit at the same time and orgasmed quite hard after a few minutes. I finally put her on her back and started fucking her fast

and furiously and hearing her moans and her encouragements to fuck her harder and faster. Kissing her hard, I finally brought her to another orgasm, then I pulled out and moved on to the only other one I had not fucked tonight, who was patiently waiting.

Chrissy crawled onto the bed and grabbed my cock and guided it right down her throat. She sucked me and licked me before bending over in front of me and telling me to stick that cock in. But before I did, I moved in and stuck my tongue into her already wet pussy and swirled it around. When her moaning stopped for a minute, I stood up and rammed my cock into her. I grabbed her hair and tugged it so her head was bent back and went wild on her

pussy. I worked her hair like they were reins and spanked her ass to a nice bright red. Noel brought me a vibrator and whispered in my ear that Chrissy liked a vibrator in her ass while she's being fucked.

So I slowly ran the tip of the vibrator between her butt cheeks. She was quivering with excitement as I held it against her asshole. Noel rubbed some anal lube in her ass and then I slid the vibrator slowly into it. The effects were instant, she became tighter, and was a lot more friskier than before. I kept this up for another 5 minutes until she orgasmed hard and her juices were squirting out of her pussy. I grabbed hold of her and put the vibrator back

in her ass and pushed her onto her tummy as she reached back and grabbed my cock, guiding it into her ass. I fucked her some more in her rear as she squirmed and moaned hard, until she orgasmed again. I also came inside her pulsing asshole as I could push my cock.

By now it was almost midnight and the girls said they would bake some cookies. We munched on cookies and milk and gathered around the TV to binge watch their favorite scary shows. With Noel's permission, Amanda and Chrissy both gave me their numbers and I gave them mine before they headed home. I spent the rest of the night at Noel's house with more sex and tv shows and even more sex in the morning after we woke up.

(So I slowly ran the tip of the vibrator between her butt cheeks. She was quivering with excitement as I held it against her asshole. Noel rubbed some anal lube in her ass and...)

SUMMER BRIELLE TAYLOR

LIGHTEN YOUR LOAD

There hasn't been a classier shoot come across our desk in a long time. Super sexy Summer, fit that bill. With her stunning blonde looks and a killer body, we loved the way they were highlighted by the light. Hopefully it shows that we can appreciate a pretty picture, not just a pretty awesome sex. And, we thought it be best shared to end your High Society adventure for today.

NIKKI MAE & RYLIE RICHMAN

LUSCIOUS LEZDOM

We had a huge surprise for these two. We booked them independently, thinking they were doing a solo shoot. As they saw each other, they got so excited that they jumped up and down at working together. We got a few eyefuls of bouncing boobies and that was fun, but our eyes really widened when they started stripping and fondling each other. Then the licking started until finally the toy came out and fucking began!
